Section 1. A child's pension is payable up to age 18, or to age 25 if you are studying full-time at an approved institution. If you leave full-time education after you're 18, we need to know as soon as possible so we don't overpay the benefit. If for some reason there's an overpayment, this money will need to be paid back to us.

Once a child turns 18, we can pay the pension directly into their account. Make sure a Change of Details for Defined Pension form is completed to let us know these details.
